Abstract

The overall mission of the Conservatoire national des arts et métiers--(CNAM) [National Conservatory of Industrial Arts and Trades] is outlined. One of its centers, the Centre national de l'entrepreneuriat--(CNE) [National Center for Entrepreneurship] is described in greater detail. In particular, this center offers various services, notably training and retraining, to small entrepreneurs, including distance training via a virtual training system, @ppui©. It also offers a range of entrepreneurial consultation services to small and to very small businesses and to regional institutions. (HRK / Abstract übernommen)
